EDISON LIGHTING

Architect's Choice

Edison Lighting, a world leader in LED technology, introduces its cutting-edge products to the Indian market. With over 25 years of lighting expertise, we operate as a subsidiary of a UK-based parent company headquartered in UAE-Dubai and boast manufacturing facilities in Mumbai and Bangalore, India, complemented by OEM operations in China.

Specializing in exceptional LED luminaires, light sources, and smart home lighting controllers, Edison Lighting prioritizes engineering performance and safety, adhering to EU regulations like **EN-60598**, **CE**, **UTL**. Our global presence spans the UK, Australia, Norway, GCC Countries, and more, with a commitment to innovation that addresses real customer needs.

Beyond manufacturing, Edison Lighting offers services including Lighting Design and Smart Home Lighting Control System. Our dedication to innovation and comprehensive solutions reflects our commitment to providing holistic lighting experiences that enhance spaces and lifestyles.
